Although these forward-looking statements are based on good faith beliefs, reasonable assumptions and the Company's best judgment reflecting current information, you should not rely on forward-looking statements since they involve known and unknown risks, uncertainties and other factors which are, in some cases, beyond the Company's control and which could materially affect the Company's results of operations, financial condition, cash flows, performance or future achievements or events. Currently, one of the most significant factors, however, is the

potential adverse effect of the current pandemic of the novel coronavirus, or COVID-19, on the financial condition, results of operations, cash flows and performance of the Company and its tenants, the real estate market and the global economy and financial markets. The extent to which COVID-19 impacts the Company and its tenants will depend on future developments, which are highly uncertain and cannot be predicted with confidence, including the scope, severity and duration of the pandemic, the actions taken to contain the pandemic or mitigate its impact, and the direct and indirect economic effects of the pandemic and containment measures, among others. Moreover, investors are cautioned to interpret many of the risks identified in the risk factors discussed in the Company's Annual Report on Form 10-K for the year ended December 31, 2020 and other SEC filings, as well as the risks set forth below, as being heightened as a result of the ongoing and numerous adverse impacts of COVID-19. Additional important factors, among others, that may cause the Company's actual results to vary include the general deterioration in national economic conditions, weakening of real estate markets, decreases in the availability of credit, increases in interest rates, adverse changes in the retail industry, the Company's continuing ability to qualify as a REIT and other factors discussed in the Company's reports filed with the SEC. The forward-looking statements included in this press release are made as of the date hereof. Unless legally required, the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events, changes in the Company's expectations or assumptions or otherwise.
